THREE steps in ONE family!!!

Step 1 - Josi (right) Completing the first step 14 day short stay programme, to see if she is 'inspired' to return to Huntington School for one year.

Step 2 - Lisi (middle) Completing the 1 or 2 year programme at Huntington School, after she was 'inspired' by the 14 day short stay programme!

Step 3 - Johannes (left) who is completing the 3 year BA Degree Business programme at St John University after been 'inspired' by Step 1 and Step 2!!

Question: What are the effects of BREXIT for Tuition Fees for the 1 year and 2 year stay for students aged between 16-19?

Currently: £5000 tuition fees is paid for by EU funding NOT the German parents for 16-19 year old students.

Answer: We are not sure of the outcome of BREXIT negotiations in terms of this remaining for 2019-20!

Solution: If Tuition Fees are NO LONGER FREE after BREXIT negotiations, Huntington School will pay, for its Partner Schools:

1. £2000 of the tuition fees for the first year, meaning German parents will have to pay only £3000 per year NOT £5000 per year.
2. Huntington School will pay ALL of the £5000 for the second year.

Our 'Embrace England' short stay camps pay for these subsidies and reduced host family payments. No other state school in the UK is doing this and tells you our commitment to keep educational bridges to Germany OPEN! Without the short stay students we will not be able to offer these subsidies.

Question: What are the effects of BREXIT for Tuition Fees for students wanting to complete 3 or 6 month stays?

Answer: Shorter 3 or 6 month stays DO NOT qualify for any EU subsidies of Tuition Fees for students aged 15-19. However, host family payments are still subsidised.

3 month options: (Only available for students who have completed the short stay)

1: Monday 3rd September – Friday 21 Dec 2019 **Cost £2000**
